National Co Operative Development Strategy Strategic reference panel. Co-operatives UK is working across the sector to develop a UK-wide co-operative development strategy that will provide focus for co-operative development and innovation over the coming years. National Co-operative Development Strategy | Co-operatives UK It will build on existing strategies from the co-operative and community enterprise sectors, the big ideas for developing co-operative innovation and, above all, the needs of existing and future co-ops. Crucially, the strategy will be co-created with people running co-ops, community enterprises and collaborative organisations. About the strategy | Co-operatives UK taking a lead by working with its members to scope the potential for a 'National Co-operative Development Strategy' (NCDS). Aims The purpose of the research report is to recommend the ways in which writing a NCDS might be best approached, not to write the strategy itself. The following questions are being used to help National Co-operative Development Strategy About the National Co-operative Development Strategy The strategy, Do It Ourselves, was formed by Co-operatives UK with its members and partners, drawing on advice from an expert national panel. A set of resources around the strategy are available on the Co-operatives UK website.

2 The National Co-operative Development Strategy

Dame Pauline Green launches the National Co-operative Development Strategy at Congress 2017 It had three points of focus for co-operative development: freelancers; social care; and platform co-

ops. And it asked co-operators to do three things: commit to be great at co-operation; be willing to be open to new co-operation; and join in campaigns for inspiring co-operation. National Co-operative Development Strategy: Where are we ... Do It Ourselves, the National Co-operative Development Strategy led by Co-operatives UK, was launched by Dame Pauline Green, former president of the International Co-operative Alliance.
