It is also common to use the term "harem", an Arabic loan word used in recent times to refer to imperial women's forbidden quarters in many countries. In later Chinese dynasties, these quarters were known as the rear palace (内宫; hòugōng).

[2] Imperial Chinese harem system - Wikipedia The harem was defined to be the women's quarter in a Muslim household. The Imperial harem (also known as the Seraglio harem) contained the combined households of the Valide Sultan (Queen Mother), the Sultan 's favorites (hasekis), and the rest of his concubines (women whose main function was to entertain the Sultan in the bedchamber). The Ottoman Harem | All About Turkey The harem would also include female slave servants, who might be the personal property of either the women or the men of the family. The imperial harem was much like the household harem, only extensive and with more highly articulate structure. In our period, the head of the harem was the mother of the reigning sultan.
